## The Club

The Chepstow Hill Walking Club consists of people from all age groups who have something in common, "they like more than a casual stroll".

The club has no committee, no officers and no subscriptions.

Twice a year, members meet to plan the next season's walks. Members are encouraged to suggest or/and lead walks. The walks are a mixture of one day, weekend and long weekends (typically 4 days).

The club walks in hill/moorland areas or similar type of countryside and will average 8 - 12 miles, depending on the terrain. The walks are not undertaken at a fast pace as the aim is to enjoy the scenery.

Walks take place in any weather, so warm waterproof clothing and boots are essential. A packed lunch and a hot drink should also be taken unless stated otherwise. Some dry clothing left in the car is useful.

Because of free roaming sheep and cattle, dogs (even on a lead) are not permitted.

The club and its leaders cannot be held responsible for any loss or injury occurring to any person whilst taking part in its activities.

## Transport

Vehicles are used on a car sharing basis, the passengers sharing the fuel cost.

**Non car owners are welcome.**
